What are some good general safe work practices?

- **DO** ensure signage is in good condition, clean, legible and suited to the purpose.
- **DO** ensure traffic control signage is of accepted standards.
- **DO** ensure signage is secured.
- **DO** routinely inspect signage for placement, cleanliness and physical damage.
- **DO** ensure road traffic control signage is covered when no activity is present.
- **DO** ensure you are fully trained to erect road traffic signage.

Please note: This document is for information purposes only as a guide. The safe job procedures (SJP) and safe work practices (SWP) created for your workplace should reflect your organizations processes, equipment and hazards as identified by a hazard analysis. Construction Safety Nova Scotia does not assume responsibility for the use of information in this document. If assistance is needed to complete a SWP and SJP for your organization please contact CSNS member services at constructionsafetyns.ca or 1.800.971.3888.
