Upgrade Application

Construction Safety Supervisor (CSS) - National Construction Safety Officer (NCSO®)

Individuals who hold a valid Construction Safety Supervisor (CSS) program certificate, can now apply to write the National Health and Safety Officer (NCSO®) examination to upgrade their certification.

Upgrading applicants must hold a valid Construction Safety Supervisor (CSS) **program certificate** with Construction Safety Nova Scotia, along with at least three years of construction field experience*. A copy of a current résumé outlining the applicant’s experience is required as part of the upgrade application.

Name:	
Company:	
Address:	
Phone:	
Email:	
Date of birth:	
CSS certificate date:	
Trade/Occupation:	

*What is the definition of construction field experience? A construction worker (labourer or skilled construction tradesperson) working directly and actively in the construction field or, an individual who is directly and actively engaged in safety (i.e.: site safety coordinator) or responsible for the supervision (i.e.: site superintendent) of the construction worker, who also works directly and actively in the construction field.

Please send application and supporting documents to:

Construction Safety Nova Scotia Attn: Safety Services - NCSO Upgrade 35 MacDonald Avenue Dartmouth, NS B3B 1C6	OR	ncso@constructionsafetyns.ca
